Note from Pastor:

God bless all the saints of Souls Harbor Apostolic Church for your sincerity, devotion and faithfulness to God. What a wonderful God we are serving. Let us always be diligent first and foremost that the saving of souls would be our heartbeat. That revival and evangelism will be alive in our hearts and our minds. Say not three months, look on the fields, they are ready to be harvested. Revival is upon us and we want to be souls conscience. We want a soul saving revival. Bring souls to the house of God. Keep this daily prayer in your life. If you have been coming daily, keep coming. If you haven't been coming, start coming. Daily prayer will make a difference in your life. In your family's life and in the church. Prayer works.
